UI user evaluation of AUMS

Login Page :

This is evaluation is according to the student of Amrita School of Engineering . The login page of student is perfect according to students as there are login section with Account Recovery for the help of students for the recovery of account. OPAC search is provided to help students find the books at library.

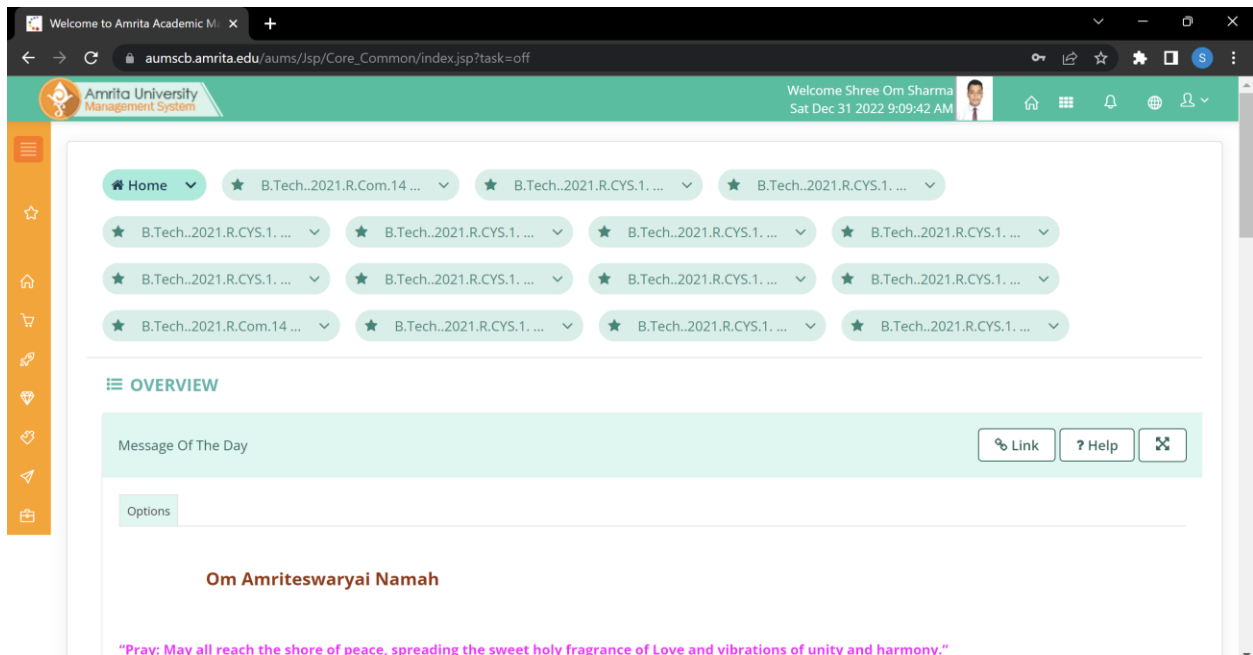

A screenshot of a web browser showing the 'AUMS Account Recovery' page. The address bar displays 'aumscb.amrita.edu/aums/ForgotPassword.jsp'. The page title is 'AUMS Account Recovery'. The main heading is 'Can't access your account?'. Below this, there is a form with three input fields: 'Username', 'Email ID', and 'Date Of Birth'. A 'Submit' button is located below the 'Username' field. A note states: 'Note: User Name/Email/DOB should be correct for the password to be reset'.

The main heading is 'Sign In'. Below this, there is a form with two input fields: 'Username' and 'Password'. A 'LOGIN' button is located below the 'Password' field. There are two links: 'OPAC Search' and 'Can't access your account?'. The footer text is 'Copyright © 2020 Amrita Technologies'.

Home Page :

According to user perspective UI design is simple and good. But, for the new users there are some things which should be modified as the subjects on the top navigation bar are written with subject codes but it may be difficult to recognize the subjects. The test and quizzes are displayed in the calendar portion, I think it would be much better if that is highlighted on top on the page after subjects navigation bar. In the side navigation bar in which exam score there is a section as view attendance which should be separate.

Conclusion :

According to my evaluation mostly things were good and helpful from the students perspective. But, the thing s which can be modified or changed are listed above.
